

# 2017 AFG STATE CONFERENCE Hospitality Help

**QUESTIONS? Call Katherine at 765-620-0085**

Our annual state AFG conference won't be complete without a well stocked and well staffed Hospitality Room for drinks, snacks and fellowship. Please be a part of making it happen by bringing drinks and/or snacks to share! **PLEASE NOTE:** Due to venue rules, no home-made snacks are allowed. All food donations must be purchased and in original wrapping.

Coffee, tea and bottled water will be provided. Please remember our diabetic and gluten-free friends and include fresh fruits, veggies and no-sugar-added and gluten-free snacks. Thanks so much for your service!

Finally, a sign-up sheet to volunteer to host the room will be available at the registration table. Please consider volunteering an hour of service to your AFG family to make this event a success!
