Let's learn about Group Conscience,  
what does it mean to you?

This is a free event,  
but donations are gladly accepted.

Refreshments will be available

In Al-Anon Family Groups, a group conscience is a decision made by a group when it needs to make a choice about something, such as finances, meeting time and place, or changing the group name. The goal is to reach a position of "substantial unanimity" through a careful and respectful process where everyone has a voice and listens.
