My Leadership Plan

1. What traits do I have that I consider are positive Leadership traits?

2. What traits do I want to develop with the help of my Higher Power to grow in service leadership?

3. What traits do I possess that might need to be turned over to a Higher Power for removal to grow in service leadership?

4. What service position would I like to consider for my personal growth within the next year or Area rotation?

5. What service position/s would I like to consider for my personal growth within the next three to five years?

Is there someone that I know or see in an Al-Anon service role that I would like to consider being my Service Sponsor?

A Final Thought

As a leader, I want to be successful in everything I do for Al-Anon and my recovery. As an example, I will demonstrate Leadership by using the spiritual principles of leadership to those around me.
